

# NATION RISE WIND FARM PROJECT UPDATE NOTICE

The Nation Rise Wind Farm (the "Project") is a proposed wind farm of approximately 100 MW that is located on private and public lands in the United Counties of Stormont, Dundas and Glengarry in the Township of North Stormont, Ontario. The Project received a Renewable Energy Approval (REA) from the Ministry of Environment, Conservation and Parks (MECP, formerly the Ontario Ministry of Environment and Climate Change) on May 4, 2018. This project update notice is provided to local residents to notify them of the ongoing tree clearing and trimming activities.

## **Tree Clearing and Tree Trimming Activities**

Tree clearing and trimming activities for the Project started in May 2019. These activities will occur in areas that are adjacent to your property. Activities may include, but are not limited to, the removal of trees and trimming of branches and other foliage inhibiting construction activities.
