

COVID-19

Protect yourself and others

Keep 2m away from other people

Playground equipment is closed

No team sports like soccer, football, basketball

Avoid using benches and picnic tables and don't touch hard surfaces

Avoid touching your face, nose and eyes and when you get home, wash your hands

Other tips on how to stay safe:

Step aside to let others pass on a trail

Avoid crowded parking lots by walking – do not drive to visit a park or trail

Share the space – plan short visits (less than 1 hour)

Leave if the park or trail becomes crowded

Don't walk, run or bike in groups

Together we can slow the spread
