

Farm accidents can occur in the most remote locations, making it difficult for first responders to easily locate the situation.

Following Emily Trudeau tragically passing away from a farming accident in 2014, let's get 911 signage at all entrances to vacant farming fields and properties. Order yours today and you could save a life. Farm blades are now 50% off at \$66.00 for a limited time for vacant farm fields and farm properties.

TO ORDER a sign, a completed application is required. Please visit our website at www.northstormont.ca to download the form. Forms are also available at the Township office.

For more information, please contact the Township at 613-984-2821.
