

NOTICE OF PUBLIC INFORMATION CENTRE #1

VILLAGES OF CRYSLER, FINCH, AND MOOSE CREEK WATER AND WASTEWATER MASTER SERVICING PLAN FOR THE TOWNSHIP OF NORTH STORMONT

The Township of North Stormont has initiated a Water and Wastewater Master Servicing Plan (MSP) for the future growth in the villages of Crysler, Finch, and Moose Creek. The Township of North Stormont is completing this Water and Wastewater MSP to identify high level strategies for existing and future water and wastewater servicing in the Township.

The preferred servicing strategies will:

- Support service area growth to 2051 while considering opportunities for operational flexibility and redundancy, as well as for optimization and improvement of the existing systems;
- Provide resiliency to potential future changes to regulatory and climatic conditions;
- Balance environmental, social, technical, and economic considerations.

The project is being completed as an **Approach No. 1 Master Plan** project under the framework of the **Municipal Class Environmental Assessment** (October 2000, amended in 2007, 2011, 2015, & 2023), which is approved under the Ontario Environmental Assessment Act. The study will address the requirements of Phase 1 and part of Phase 2 of the Municipal Class EA process.

How do I Participate?

We are hosting Public Information Centre #1 to report on the progress of the study and provide members of the public with an opportunity to provide comments prior to its finalization. The Public Information Centre will be hosted in person and will include presentation boards and the opportunity for the public to ask questions of the project team.

When: Tuesday, September 17, 2024, from 6:00 – 9:00 p.m.

Where: Moose Creek Recreational Hall

How: In-person.

The presentation boards from the meeting will be posted on the project webpage following the meeting: <https://www.northstormont.ca/>.

If you have any questions or comments regarding the study, or wish to be added to the project contact list to receive notices, please contact a member of the project team:
