

For Immediate Release
February 24, 2017

Start of 2017 Half Load Season

The Counties, Ontario – The start of the half load season for the United Counties of Stormont, Dundas and Glengarry (SDG), local municipalities and the City of Cornwall will begin on March 1, 2017.

The half load season, which usually runs from the beginning of March until May is the time of year when vehicles are restricted to carrying a maximum of five tonnes per axle on the weaker roads located throughout the region. Roads that are subject to seasonal weight restrictions are identified with a sign. Half-loads will be enforced once signs are posted.

For up-to-date information, please contact your local municipality or SDG (www.sdgcounties.ca).
