

March 7, 2018

To: Owners/Operators of Small Drinking Water Systems under the Ontario Regulation 319/08

Subject: information on SDWS training sessions

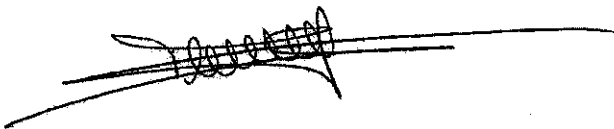

The Eastern Ontario Health Unit (EOHU) wishes to inform owners/operators of small drinking water systems (SDWS) about a one-day training that will be available in our area.

The course, administered by the Walkerton Clean Water Centre (WCWC), will be offered in French on April 25, 2018 in Casselman and in English on May 2, 2018 in Cornwall.

Attached you will find the flyers with information for both locations, including the course overview and instructions on how to register for the training.

We strongly encourage all SDWS owners/operators to attend one of these sessions.

Sincerely,

Caroline Kuate
Program Manager, Safe Water
