Media Release

FOR IMMEDIATE RELEASE
SDG Library UPDATE
February 17, 2021

As of Monday, February 22, six branches of the SDG Library will resume limited in-branch services. Holds pick-up, public computer use, and printing/photocopying/faxing will soon return to Alexandria, Crysler, Ingleside, Lancaster, Morrisburg, and Winchester branches. Short stays beyond computer sessions and browsing the collections will not yet be available at this time. Curbside pick-up service will continue at all other branches.

Current hours of operation can be found at sdglibrary.ca/current-hours-locations#branches-location. Patrons should continue to contact their local branch to find out the process for picking up items or accessing services. Face coverings are required when picking up materials and accessing any Library service.

Public computer sessions will be limited to a maximum of 30 minutes per patron. A limited number of computers will be available to allow for physical distancing, and workstations will be cleaned after each session. To ensure a computer is available during your visit, we recommend calling the branch prior to visiting.

For up-to-date information on the services available and current hours of operation, please visit sdglibrary.ca/limited-branch-access.

About the SDG Library

The SDG Library provides library services to the residents of Stormont, Dundas and Glengarry. Fifteen branches are located throughout SDG, or online at www.sdglibrary.ca. For specific questions or comments, please contact Susan Wallwork at swallwork@sdglibrary.ca or (613) 930-3493.

Connect. Create. Explore.
